

Vittoria has a premium range of 100% Arabica coffee beans freshly roasted and packed at our state of the art roasting facility in Sydney.

## Product Information

### Vittoria Coffee Oro 1kg

#### Tasting Notes:

Vittoria's most popular foodservice blend, Oro (gold) is a blend of 100% Arabica beans and has become famous for its ability to deliver a smooth and flavoursome cup whether served as an espresso or as a milk based coffee.

**Oro Beans 1kg (C6)**  
**Code 3041**

### Vittoria Coffee Nero 1kg

#### Tasting Notes:

Vittoria's Nero (black) has been created with the strong Italian-style espresso drinker in mind. A dark roasted blend of 100% Arabica beans that is recognised for its ability to maintain a true espresso flavour that's not lost with the addition of milk.

**Nero Beans 1kg (C6)**  
**Code 3029**

Caffè Aurora's premium quality beans create a traditional, rich espresso style coffee. These blends are the perfect foundation for milk based coffees as well as full-bodied espresso. Coffee is best when it is freshly roasted, which is why Caffè Aurora is roasted and packed in Australia.

Our expertise in coffee and modern roasting and packaging techniques, together with our quality control levels simply cannot be matched by smaller roasters.

## Product Information

### Aurora 100% Arabica

A blend of the finest 100% arabica beans from Central and South America. This dark roast created a smooth, slightly spicy coffee with a full, rich aroma and body.
