

To our valued customers,

EARN MORE POINTS AND REWARD YOURSELF!

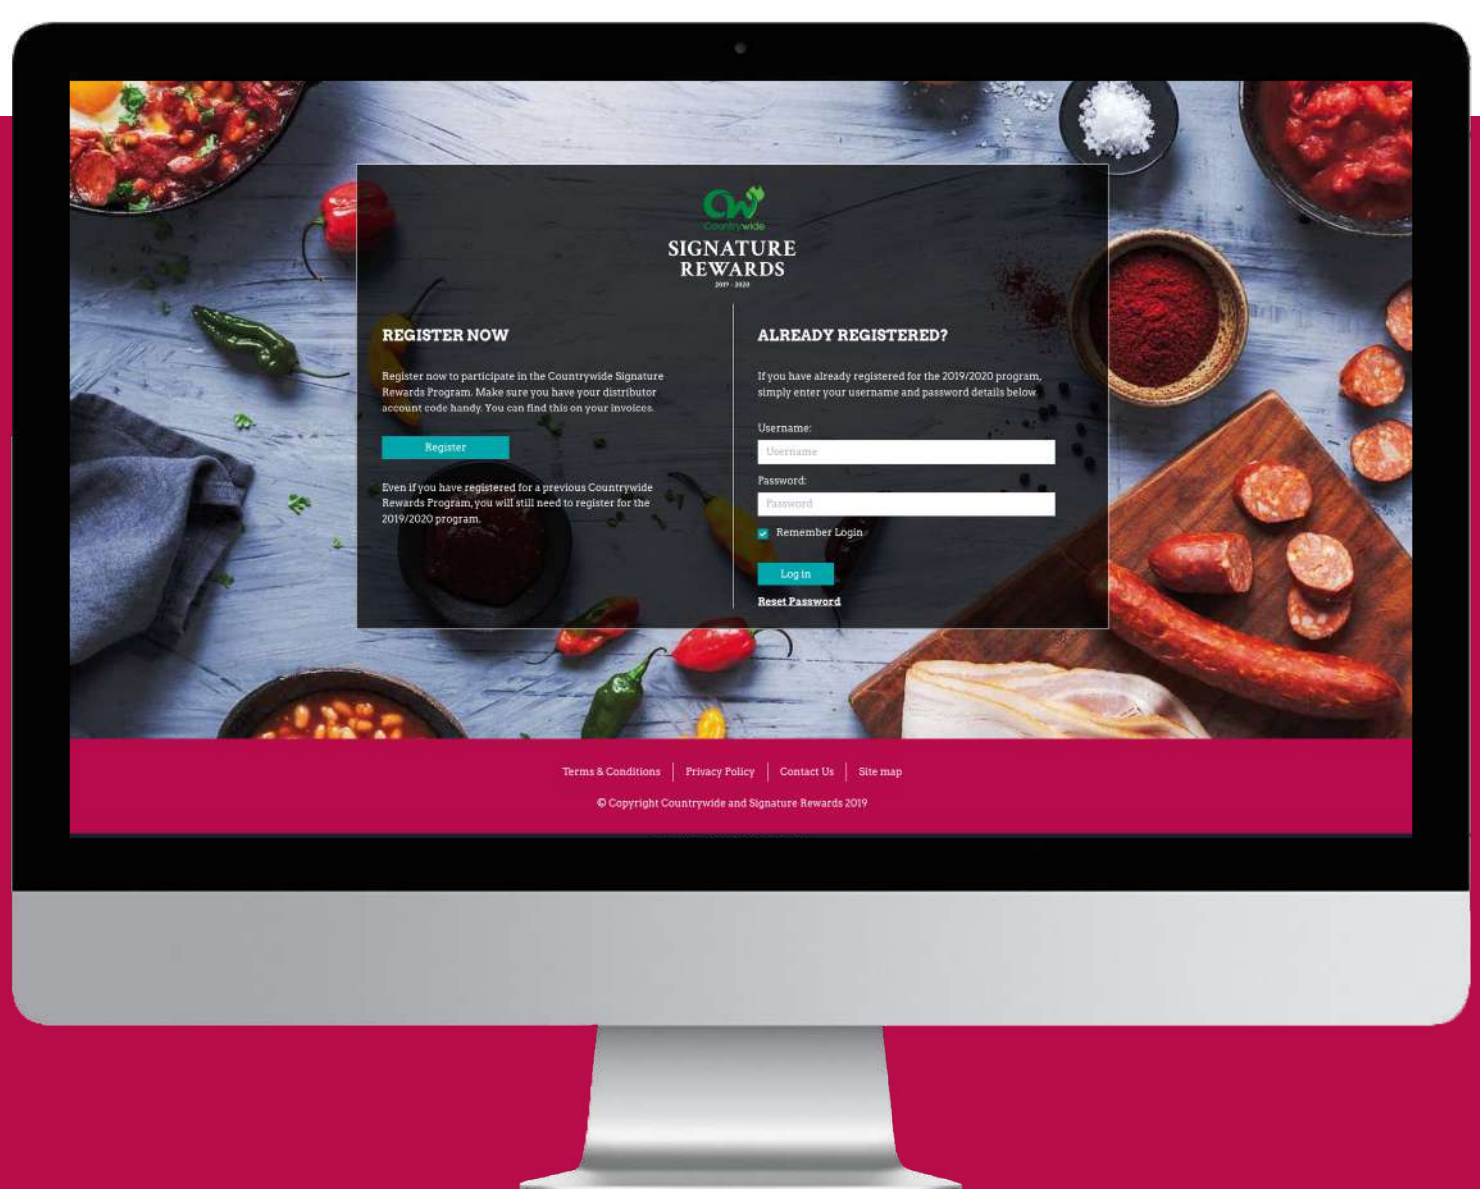

Great news...given the challenging times we have all experienced in the past few months as an industry due to the restrictions to food outlets that have been and continue to be in place, we have decided to **extend our current 2019/2020 Countrywide Signature Rewards Program until 31st December 2020.**

This extension allows you, our Valued Customer, **more time to earn more points** so you can be rewarded for your loyalty. **Points can be redeemed between 31st July 2020 and 28th February 2021.** To ensure you stay up to date with further details of the extension including participating products, make sure you have registered for the rewards program.

Register NOW by visiting www.cwsigrewards.com.au and having you account code handy. Your account code can be found on one of your Rum City Foods invoices. We look forward to continuing to serve you as restrictions are lifted.

Kind regards,

Rum City Foods
